### IKOB-BKB Statement

This environment system certificate has been issued by IKOB-BKB in accordance with NEN-EN-ISO 14001:2004 and conforms to the requirements set in the environment standard.

Based upon periodical audits by IKOB-BKB, IKOB-BKB declares that the environment system implemented by Koninklijke Mosa BV meets the requirements of NEN-EN-ISO 14001:2004, for the following application:

***design, development, production and sales of wall and floor tiles including advise on use, installation and maintenance of wall and floor tiles***

EA-code: 15

On behalf of IKOB-BKB BV:

Ir. P.K. van der Schuit,  
general manager.

Users of this certificate are advised to contact IKOB-BKB as to the validity of this document.
