# Mosa Mix & Mosaics

## Mosa. Tegels.

### Mosa Mix & Mosaics

Deze nieuwe collectie biedt verrassend veel mogelijkheden voor mensen die iets speciaals willen voor hun nieuwe of te renoveren badkamer en toilet. 'Mix' staat voor de keuzemogelijkheid uit een veelheid van formaten en een mix van kleuren. 'Mosaics' staat voor levendige mozaïek in wanden en vloeren.

Geheel nieuw zijn de wandtegels in de formaten 20 x 60 en 30 x 45 cm, die als neutrale basis toegepast kunnen worden in combinatie met bijzondere accentvlakken uit Mosa Mix & Mosaics. Het wandtegelformaat 20 x 60 cm legt extra nadruk op de horizontale belijning en het formaat 30 x 45 cm geeft een luxueuze uitstraling aan de kleinere badkamer. De basis-

kleuren van de wandtegels zijn uni wit in een matte en glanzende uitvoering. Om in uw badkamer of toilet bijzondere wanden en vloeren te realiseren biedt Mosa bij de neutrale witte basis een extra nieuw pakket aan mogelijkheden.

### Stroken in wanden en vloeren

Een nieuwe kijk op stroken: een verscheidenheid van formaten en kleuren, gemixed in nieuwe patronen. De kleuren zijn gebaseerd op het subtiele kleurconcept van de collectie Beige & Brown. De steeds wisselende formaten en kleuren zorgen voor een verrassend nieuw beeld van stroken in wanden en vloeren.

### Mozaïek

Een ongekende levendigheid voor wanden en vloeren. Vierkant of

rechthoekig van formaat, strak afgewerkt met een facetrandje en van een robuuste ongeglazuurde kwaliteit. Het mozaïek heeft nagenoeg dezelfde dikte als de neutrale witte wandtegels, waardoor deze uitstekend te verwerken zijn in één wand. Ook passend bij de gekozen vloertegels of ingelegd tussen deze vloertegels.

### Vloertegels

In 45 x 45 en 60 x 60 cm, passend bij de formaten wandtegels 20 x 60, 30 x 45 en 30 x 60 cm, strokend met de voegen.

### Kleurenpalet

Biedt de mogelijkheid om te kiezen voor elke gewenste sfeer, van warm tot neutraal of juist een strakkere zakelijke ambiance. Mosa Mix & Mosaics biedt nóg

meer mogelijkheden voor de individuele invulling van elke ruimte.

### Legpatronen

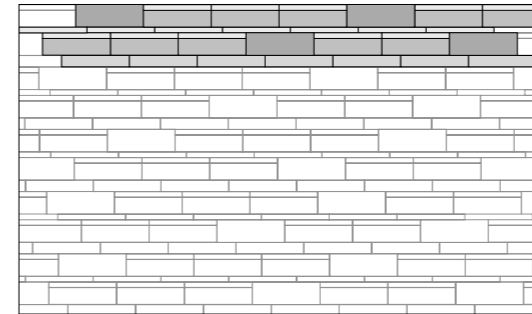

Met de nieuwe collectie Beige & Brown stroken voegt Mosa een extra dimensie toe aan de mogelijkheden in strokenpatronen. Door uit deze collectie verschillende kleuren en formaten tegelstroken te combineren in één vlak ontstaat er een lijnenspel van formaten en tinten.

### Mosa Mix Calculator

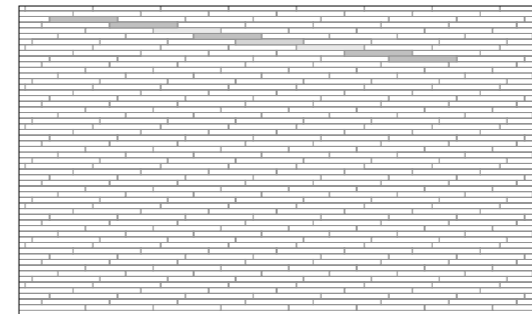

Om op eenvoudige wijze de hoeveelheid Mosa Mix & Mosaics stroken te bepalen, heeft Mosa software ontwikkeld: de Mosa Mix Calculator. In deze software hoeft u slechts het aantal vierkante meters, het strokenpatroon en de kleur in te vullen en u heeft meteen een overzicht van het aantal te bestellen tegels op het scherm. Vervolgens kunt u het legpatroon en de kleurmix met bijbehorend besteladvies printen. U vindt de Mosa Mix Calculator op [www.mosa.nl](http://www.mosa.nl).
